

Fire Prevention Week 2021

**INNOVATIVE OUTREACH.
ENGAGING PARTNERSHIPS.
TRANSFORMATIVE OUTCOMES.**

Learn the Sounds of Fire Safety

Is there a beep or a chirp coming out of your smoke or carbon monoxide alarm? What does it all mean? Have your class join this live session with Deputy Fire Marshal Adam Panos and his team to learn how to protect themselves and their families! Students will learn how they can understand the sounds of the smoke and carbon monoxide alarms in their homes and how to respond.

Deputy Fire Marshal Adam Panos
San Bernardino County Fire Department

Live Online Session

Date: 10/06/2021

Time: 9:00 a.m. PST
