

SAN BERNARDINO COUNTY

BEGINNER DRONE PILOT TRAINING PROGRAM

by the UAS Center at SBD and
San Bernardino County ROP

ABOUT THE PROGRAM

Learn the essential skills to safely operate a UAV (unmanned aerial vehicle) for commercial purposes. In this comprehensive, instructor-led course, you will learn to comply with FAA regulations and gain hands-on experience with UAV flight operations. Upon completion, you will have the knowledge and skills to pass the FAA Part 107 UAS Drone Pilot Exam and safely operate a UAV for commercial purposes.

\$50 PER PARTICIPANT
