

DESIGNING ENGAGING CLASSROOM EXPERIENCES & ASSESSMENTS FOR CTE TEACHERS

Join us for an engaging free professional learning day for CTE teachers, presented by Dr. Wendy Custable from Solution Tree. This workshop will provide you with innovative strategies and resources to enhance learning experiences, define goals, develop effective assessments, and meet diverse student needs. Participate in collaborative discussions and gain practical insights into instructional techniques that you can implement immediately. You will also develop lesson plans and assessments to support the continual growth of your CTE students.

Don't miss this opportunity to enhance your teaching toolkit and contribute to the growth of CTE education.
