

# YOUTH WORK

## Talking Safety

**FREE WORKSHOP: KEEPING YOUR STUDENTS SAFE ON THE JOB**

Job Health and Safety Skills for the 21st Century!

Learn how to teach critical health and safety skills with fun, engaging activities using the Youth @ Work: Talking Safety curriculum from NIOSH.

**Featuring new activities to comply with AB800.**

All CTE pathway courses and work-based learning programs are required to address workplace safety, in line with the Career Ready Initiative, Anchor Standards, and AB2211.

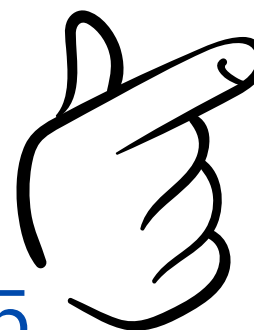

WEDNESDAY, APRIL, 16 2025

8:30-3:00
