

Experience a competition that intertwines engineering and improvisation.

Rube-A-Thon Team Registration

Competition
Feb. 22, 2025

Rube-a-Thon is a team-based competition where students design and build elaborate Rube Goldberg machines—complex, chain-reaction devices that complete simple tasks in the most creative way possible. This hands-on event encourages teamwork, creativity, and STEM learning!

Event Highlights:

- Work with your team to build a Rube Goldberg machine using everyday objects.
- Teams have a set amount of time to construct their machines and tell their stories.
- Compete for awards based on creativity, complexity, and functionality!

Age Divisions

Apprentice Division

Grades 3-5
8 am - 3 pm

Division I

Grades 6-8
8 am - 4:30 pm

Division II

Grades 9-12
8 am - 6:30 pm

**REGISTRATION
DEADLINE
FEB. 7, 2025**

LOCATION:

Rialto High School,
595 S Eucalyptus Ave
Rialto, CA 92376
